

Portfolio of Three - A ONE ROUND PRINT and PDI competition to be judged by the members. UP TO TWO PDIs, each made up of 3 images linked by content and presented on a single canvas, may be entered. PDIs should, as usual, conform to the standard size of 1400x1050 pixels. For the PRINT competition TWO ENTRIES are again allowed. An entry can be on one mount or 3 separate prints. The prints should be labelled LEFT, CENTRE, and RIGHT in the order to be displayed.

Creative Photography – A single round PRINT and PDI competition with 2 photos allowed in each category. Colour or black and white and composite images are allowed. The final picture must primarily include images taken by the photographer. AI Generative Fill should not be used to create additions to the overall image.
