

### Print Knock Out Competition

Two prints may be entered for this knock out competition where photo titles are drawn from a hat with members' votes deciding the winner in each match. Winners go through to the next round and so on until there are just two pictures left which will compete against each other in the final. NB: I will need to have the titles of your prints a week before the competition at the latest. Please label your prints with the title only. YOU SHOULD NOT PUT YOUR NAME ON THE LABEL. You will then bring your prints along to the club on the night of the competition. When you have sent me your titles I will make labels for them which will be used to draw out of a hat at the club to create each round with one print competing against another. A simple show of hands from the audience will determine which print goes through to the next round.

NB. ONLY PHOTOS NOT PREVIOUSLY USED IN CLUB COMPETITIONS ARE ELLIGIBLE.
